

18 December 1982

MEMORANDUM FOR: [redacted] 25X1
Technology Transfer Assessment Center
FROM: Director of Central Intelligence
SUBJECT: Foreign Applied Sciences Assessment Center Briefing

1. I have agreed to take a 30-minute briefing on the Foreign Applied Sciences Assessment Center which OSWR has established. Before this, I'd like you and [redacted] to review with me the status of the estimate on Soviet science and technology and the resources available to us for doing a high-quality job. 25X1

2. For that meeting, let's have a list of available outside scientific talent which I asked [redacted] to compile for me and an exchange of memoranda about how to use them, [redacted] Also, I'd like you to tell me about the military centers that follow foreign scientific developments, i.e., Wrightsville, Huntsville, etc. 25X1

William J. Casey
